### DIRECTIONS

Choose one course from each of the required areas of English & Reading (ELAR), Math, Science, Social Studies, and PE, and choose three courses from Electives. If any PreAP courses are selected, a teacher’s initials must be provided and the PreAP agreement on the back of this page must be signed. Alternates should be listed in case a course has insufficient enrollment or if the student’s schedule cannot accommodate a particular choice. Student and parent signatures confirm that all course guidelines have been reviewed and course selections have been made based on the student’s individual strengths, interests, and commitment.
